**Coming from the South:** Turn left from the Mittlerer Ring onto Rosenheimer Strasse. At St.-Martin-Strasse turn left and then at the next traffic light right – up until Orleansstrasse where you turn right and then at Rosenheimer Strasse right again. In the tunnel you will come to a barrier that is normally down.

- From the panel on your left choose „Binder Consulting“ with the arrow buttons and then press the middle button. We will open the barrier for you.
- Drive out of the tunnel, a few metres straight and then left in front of the underground garage barrier.
- Again ring at „Binder Consulting“ klingeln and we will open it for you.
- As you drive in make an immediate left turn.
- On your right hand after a few metres you will see the places 1228 to 1232. You can park there.
- You have to leave the garage by foot where you came in. Turn right and the first entrance is the one to our office and lift.
